Education

Indian Institute of Technology (IIT), Roorkee

Bachelor of Technology (B.Tech) in Chemical Engineering

2024 – 2028

- **Relevant Coursework:** Data Analytics, Engineering Mathematics, Computational Methods.
 - **Target Domains:** Management Consulting, Product Management, Data Analytics.
-

Experience

Career Development Cell (CDC), IIT Roorkee

Manager, Research & Analytics

May 2025 – Present

Data Analysis: Analyzing historical placement data to identify recruitment trends and salary benchmarks, creating reports that influence the strategic direction of the placement season.

Team Management: Coordinating with a team of executives to execute high-volume research projects, ensuring 100% data accuracy in recruiter databases.

Career Development Cell (CDC), IIT Roorkee

Department Representative

Aug 2024 – May 2025

- **Stakeholder Liaison:** Served as the primary communication bridge between the Chemical Engineering Department and the CDC, ensuring seamless flow of critical recruitment updates to over 250 students.
- **Feedback Loops (Product Focus):** Established structured feedback channels to gather student pain points regarding the placement portal, synthesizing this qualitative data to the central committee for process improvements.
- **Crisis Communication:** Managed real-time information dissemination during high-stakes placement windows, ensuring clarity and alignment between the student body and administration.

Institute Weightlifting Team / NSO Leader + Core Team Member

August 2025 - Present

Representing Institute at various Sports Fests including Inter-IIT for Weightlifting. Coordinating and Managing Operations for the team and as well winnings medals for the institute.

Skills

- **Data Analytics:** SQL (Intermediate), Tableau (Dashboarding), Excel (Advanced), Data Visualization.
- **Consulting & Strategy:** Structured Problem Solving, Market Research, Root Cause Analysis, Strategic Frameworks, Stakeholder Management.
- **Soft Skills:** Leadership, Team Management, Crisis Communication, Competitive Resilience.

Projects

Product Management & UX Research

CRED Product Case Study (PRD)

- **Focus:** Product Requirements Documentation (PRD), User Persona Mapping, and Customer Journey Analysis.
- **Key Tasks:** * Conducted user research to define **User Personas** and identify pain points within the CRED ecosystem.
 - Mapped out the **Customer Journey** to identify friction points in the user flow.
 - Authored a comprehensive **PRD** outlining feature specifications and success metrics (North Star metrics).

Consulting & Strategy

IIT Guwahati (IITG) Capstone Project - Winter Consulting

- **Focus:** Structured Problem Solving & Business Strategy.
- **Nature:** A high-intensity project simulating real-world consulting engagements.
- **Skills:** Market research, framework application (MECE, SWOT, etc.), and developing data-backed recommendations for a business case.

Expanded Analytics Suite

- **Sales & Operations Dashboard:** (Tableau, SQL, Excel) - Focus on KPIs and Forecasting.
- **Beginner Tableau Dashboard:** Demonstrates foundational skills in data connection and basic visualization types.
- **Advanced Analytics Dashboard (Third Project):** We can frame this as your "Deep Dive" project. *(Note: Let me know if this third one has a specific theme like Finance, HR, or Marketing).*

Awards

-
- **Silver Medal, Weightlifting (83 kg):** Secured 2nd place at IIT Ropar sports fest, demonstrating high-performance discipline and consistency in training.
 - **Bronze Medal, Weightlifting (77 kg):** Achieved podium finish at IT-BHU, representing the IIT Roorkee Weightlifting Team in the 77kg category.
 - **Multiple Medals:** Consistent podium finisher in Intra-IIT Roorkee competitions, successfully balancing rigorous athletic training with academic commitments.
